Dated Tumkur 31st October 1881

Despatched 1st Nov. /81.

Received

Enclosures No. 3

General. No. } 1881—82.
Mis. No. 409

Has the honor to forward herewith for orders Copy of the Proceedings of the Local Fund Committee held on the 18th Instant together with the Budget Estimates of District Local and Irrigation Fund Works for the year 1882-83, approved at that meeting—

Deputy Commissioner
Tumkur District

2.11.81

2/11

4 years 1881

Meeting of the Tumkur District Local Fund assembled under the provision of Notification No 110 of 4th July 1874 — Section IX at Tumkur District Office on the 18 October 1881.

President

C. Sooba Row Esqr., Offg: Deputy Commissioner.

Members

1. C. J. Dalal Esqr., Executive Engineer Tumkur Divn. Present
2. B. K. Venketaradengar Esqr. Assistant Commissioner at Head Quarters do
3. N. Kristna Row Esqr., General Assistant Commissioner — do
4. Mr. A. Smith. Assistant Apothecary. do.
5. " Goondappa, Amildar of Tumkur, Absent
6. Ibrahim baig do. of Koratagere. Present.
7. Veerasamy Moodr. do. of Maddagiri. do.
8. Kristna Row do of Sira do
9. Venkat Row do of Kunigal absent
10. Venkatrungengar do of Chikmaya-kunhalli — — — Present
11. Syed Ahmed do of Kadaba — do.
12. Hanmantrah do of Honnavalli — do.

13. Karijowda of Siria Talook. absent.
14. Bheema Charry of Holavanahally do.
Kolatoor Taluk —
15. Timlajowda of Maddajir Taluk. Ditto.

1. Read the Local Fund Budget sanctioned by the Chief Commissioner for 1881-82, and provision for works in accordance therewith have been made amounting to Rupees 22,750/.

2. The Siria Chattrum requires repairs. The Executive Engineer proposes that a grant in aid of about Rupees 200 may be given thereto from the reserve grant. This building being frequently visited by a number of travellers, the proposal may be sanctioned. Stopping the feeding expenses on this account will put the poor travellers to much inconvenience.

3. The travelling expenses of the Representatives to the Mysore Dasara Durbar may amount

to

to about Rupees 200. This may be paid from the Local Fund as per orders conveyed in the Dewans Proceedings no $\frac{4394-4401}{120}$ dated 25th August 1881.

4. Resolved that Local and Irrigation Fund Draft Budgets for 1882-83 now read be approved, and submitted to the Govt for orders. A sum of Rupees 50,000 is entered therein as a lump for expenditure on Irrigation works, in order to enable the Executive Engineer to repair and restore as many of the important tanks as he could, among those which breached in November last when the rain fell rather heavily.

District Fund. The President lays before the Committee the usual statement of District Fund Receipts for the year 1882-83, with a list of works proposed by the Amildars. It is observed that the receipts for the coming year are estimated to amount to 4,03,973 or some 21,366 more than the estimated receipts of the

current year. [illegible] amount
[illegible] annual grant of £25,000
from the Local Fund granted,
as per [illegible] Proceedings [illegible]
dated 18th [illegible] 1880 is added,
and [illegible] balance of
[illegible] [illegible] appropriation
[illegible] the [illegible] Estimate
of the current year, together
with [illegible] is intended for
expenses to be incurred as shown
in [illegible] Fund will be
left a balance of £ 32219 or
[illegible] during the coming
year.

2 [illegible] amount allotted for the
current year having been entirely
[illegible] annual allowance
for [illegible] many works
of watercourse and urgency had
to be [illegible] and [illegible]
improvements in the District and
for a third [illegible] to be taken
to the next [illegible]

382.

Estimated Receipts		63,73
Add annual grant	25000	
	7/3,73	
Sums paid on	2054	
Estimated Expenditure	23154	59154
Balance		32219

the Roads having been cut down by half

3 It is therefore impossible in the present state of the Local Funds of the District, to provide for the working balance, as per Dewan's Proceedings No. 4436/41 dated 1st Novr 1880, until the debt be cleared off.

4 Taking the expenditure for 1882-83 to be Rs 32219, as debated above, there are some extra charges to be met; viz 5 scholarships for Engineering and Medical Students at 8 Rs a month, 480 Rs in addition to the scholarships granted in the previous year, but allowed to continue till the course is finished and another sum of 300 Rs has to be provided to meet the Travelling allowances of representatives Rypts &c selected to go and attend the annual Dussera Durbar at Mysore.

5 The balance of some 5000 Rs

[illegible]

Soloor Magady Road do do	250
Bangalore - Bannerghatta	

Bangalore Mysore —

— do — Kankanhalli —

Mineral Returns

Kankanhalli to Station

Improvements ——————— 500

5) The Local Fund Committee

have to report that

Indifferent roads from Closepet to

Mysore and Channapatna

Kankanhalli are responsible for

necessary in order to develop

Railway Traffic, and to open

out communication with a

portion of the District which is

comparatively fertile. This is

hardly necessary to point out

that the Limited funds available

are quite inadequate to

any considerable improvement under

existing circumstances.

6) The Committee have to

to request that a grant may

be made from Provincial

funds to carry out these lines of communication, which will moreover open up the State forests for fuel and timber traffic.

Irrigation Works.

Receipts under this head for 1882-83 are estimated to be Rs. 6,170 against Rs. 7,550 estimated for the current year.

Repairs to tanks will be carried out in each Taluq as necessary arises.

Sir.

I have the honor to submit herewith copy of the Proceedings of the Local Fund Committee Convened on the 15th Instant and to request the early issue of orders thereon.

2 The District Fund Budget for 1881-82 passed by the Local Fund Committee has been transmitted to the Executive Engineer.

3. I take this opportunity of enquiring whether the following proposals of the Committee (vide Proceedings dated

laid on 5th December 1874 have met with the Chief Commissioners sanction.

(1) Purchase of a house for a Dispensary at Chyanti.

(2) Establishment of a Dispensary at Nikaripur.

Both projects are of the first importance and the owner of the house at Chyanti has on the assurance of the Committee been waiting for the money for upwards of a year, and the house has not yet been taken over pending orders.

I have the honor to be
Sir,
Your most obedient Servant.

V. Ramamurthy Rao,
District Commissioner.

" Lingappa of Sagar

" Ramachendrarao of Kavale drug.

" Savakar Balaji Rao.

" Dummaka Rudrappa.

In the absence of the President the Offg: Executive Engineer took the chair.

2. Read statement shewing the receipts for the year 1881-82.

3. The Committee request that particular attention may be paid by the Executive Engineer to the proposed road from Lakshmipur on the

Kollurgiat to Mavinkar in
the Sagar Taluk.
4. After considering the
correspondence which has
taken place between the
Deputy Commissioner and
the Executive Engineer on
the subject, the Committee
are of opinion that the
Travellers Bungalo at
Thannagiri should be
put up to public auction
it not being worth repairing.
The Committee request that
the sum of Rs 3000 be pro-
vided in the budget for
a pakka building at
Thannagiri.
5. Read correspondence on
the subject of Constructing
a road from Shikaripur
to Harikeri in the Dhar-
war District. The Committee
are of opinion that the
portion of the road in
the Shimoga District may be

constructed although the Collector of Dharwar proposes that the road shall lead to Hirékérur and not to Mäsur as originally proposed by this Committee.

6. Read a letter from the Amildar of Tirthahalli pointing out the importance of completing the link of 9 miles in the Ananta-pur-Tirthahalli road from Tirthahalli to Konandur. The Committee acknowledge the importance of the project, but fear that funds cannot be found for it at present.

7. Read a letter from the Amildar of Tirthahalli recommending that a road be constructed from Mälur to Mahishi. The Executive Engineer explained with reference to para 11 of the proceedings of the Committee of the

17th May that the road had not been traced and with the present establishment the project is not likely to be ready next year.

8. Read correspondence between the Amildar of Sirthahalli and the Deputy Commissioner anent the repairs of the temple at Nadishi, a part of which is to be utilized as a Khatram for pilgrims. Resolved that the question is one for the Chief Commissioner's special sanction, but that should that sanction be accorded a grant from the Local Funds may be given to the extent of Rs 500.

9. With reference to proposals from nearly all the Amildars of the District for the construction of Musafarkhanas, the Committee regret their inability to meet these demands, but refer the matter

matter for settlement by the Deputy Commissioner and the Executive Engineer from Reserve grant as far as funds will allow.

10. The Amildars of Lorale and Shikarpur having proposed that special estimates be prepared for the Ilavi-Lorale and Shikarpur-Anantapur roads, the Executive Engineer promised to prepare projects, but as funds are not available these estimates cannot be provided for in the budget for 1881-82.

11. The Committee recommend for sanction a proposal of the Shikarpur Amildar that the pay of the Sweeper of the Shiralkoppa Musafar-khana be increased from Rs 2 to Rs 4, as it is a superior building. The Committee also recommend that the pay of the Sweepers of the Musa-farkhanas at Kudlegeré and Channagiri be likewise

raised for a similar reason.

12. The Amildar of Sagar recommends the Construction of a well at Lakshmipur, where a fair is held weekly; the inhabitants promise to contribute Rs 200 and ask for Rs 200 more. The Committee are of opinion that the money should be granted.

13 The Committee request that the provision again made for a dispensary at Shikaripur may be sanctioned, as the proposal for the dispensary is strongly supported by the Civil Surgeon and the Amildar.

14. Read a letter received this day from the Collector of Dhārwar proposing a road be constructed from Liddapur to Sorab via Chandragutti and a road from Chandragutti to Basa-vāsi, and resolved that the Collector be informed through the Deputy Commissioner that

that as roads have already been made between Siddapur and Sorab and between Sorab and Banavasi, the proposal for the roads to join these places via Chandragatti cannot be supported by this Committee.

15. Resolved on the recommendation of the Executive Engineer and the Amildars that platform boats be provided at the Falls at Gérsappa and at the Mudaba river on the Anandāpur-Kallurkatté road; at the latter place the old boat has become useless and is not repairable.

16. The Executive Engineer having presented an estimate amounting to Rs 694 for constructing a road from the Musafarkhana at Kudligeré to the main road, the estimate is passed for Rs 400, as

modified by the Executive Engineer at the meeting.

17. The Executive Engineer having proposed the early construction of a road from Benhatti to join the Sagar-Kalinkatte road, the Committee approve of the proposal and request a project may be prepared to be carried out as soon as funds may be available. A bridge has been constructed by the Madras and Mysore Governments jointly and the road has been made on the Madras side, but nothing has been done towards forming the required road in Mysore territory.

18. The Committee approve of the estimates prepared by the Executive Engineer for Rs 602 and Rs 452 for the Hosakote and Tolpingatta Tanks.

19 Read a reappropriation statement

MYSORE COMMISSION

statement dated 27th October 1880 prepared by the Executive Engineer providing for works in progress and approved by the Superintending Engineer. The Committee approve of the proposals made therein.

20. With reference to the Executive Engineers report to the effect that the estimate for a road from the Bridge at Benkipur to the Chatram has been returned by the Superintending Engineer — unsanctioned, the Committee regret the want of funds for this work and request that it may be brought forward again on the first opportunity.

21. Read a statement — shewing the requisitions received by the Executive Engineer from the Deputy Commissioner shewing the number of works completed and the number of esti- -mates prepared. The Committee Consider the results Generally

satisfactory, but think that works under Irrigation Cess require more attention. The Executive Engineer explained that the want of progress has been due to a want of establishment, but that officer hopes for an improvement owing to the arrival during this year of an extra Overseer and Suboverseer and also to a redistribution of the establishment throughout the Division.

22. The proposed projects for the Galagadahalla anikat, the Eulekere channels and the Salur anikat having been discussed, the Committee while acknowledging the great importance of these works fear the outlay required is beyond the means at their disposal. They request the Executive Engineer will prepare the projects and submit them for the

the orders of Government

23. Read letter dr. 4187/70 from the Secretary to the Chief Commissioner, Revenue Department to the address of the Deputy Commissioner pointing out that provision will have to be made for six scholarships at Rs 8 each per mensem for students to be admitted to the School of Engineering and Natural Science at Bangalore - Resolved — that the necessary addition be made in the budget.

24. Read Deputy Accountant Generals dr 3309 dated 27th October 1880 to the address of the Deputy Commissioner Shimoga District directing that the pay of two musafar-khana Sweepers in the Shimoga Taluk and of two in the Kavaledrug Taluk be debited to Local Funds The entry has been made in the budget by the

Deputy Commissioner -

25. The Committee regret that the Secretary to the Chief Commissioner has not been able to inform them of the amount of the grant for the ensuing year - The Committee have been at a great disadvantage in preparing the budget without this information.

26. The Committee approve with the exceptions noted above of the Budget prepared by the Executive Engineer -
